## **TramShed's Club 100**

### **What is the Club 100?**

The Club 100 is a lottery draw that takes place on the last Tuesday of every month. A variety of cash prizes can be won by four lucky members each month and in December we have an extra bonus prize draw! All proceeds that remain are donated to TramShed Theatre Company and enable our Inclusive work to continue.

### **How does it work?**

The Club 100 is open to anyone over the age of 16 years. Members all choose a number between **1-100** at a cost of **£5** per month, which is paid by standing order. Once the standing order is in place you are entered into the draw and could be in with a chance of winning a cash prize. All winners are announced via our website and can be viewed at [www.tramshed.org.uk](http://www.tramshed.org.uk)

If you are interested in taking part in this exciting opportunity, please fill in the form attached and hand in to the Arts Practitioner Team.

When your form is returned to us and your standing order in place you will be given a copy of the Club 100 rules and can choose your lucky number!

Please spread the news about the Club 100, the more people that take part, the more you can win!!!

## Standing Order Information

**All standing orders must be set to the following details:**

**Account Name:** Tram Shed Theatre Company

**Account Number:** 10157755

**Sort Code:** 16-13-22

**Cost:** £5 per month, per number.

When submitting your standing order please make sure the reference is your own name so that TramShed can track your subscription and is able to enter you into the monthly draw. The draw will take place on the last Tuesday of each month. Your payment should be within the first 14 days of the month you wish to be in that months draw.
